

All 3 positions that we are currently hiring for at Horch Roofing in South Portland are:

Position: **Leak Repair and Small Project Foreman**

Job description

Do you like being on the roof while training others to think like a water drop? Apply to be a working foreman for our leak repair and small project team. You will be able to train new generations and still be engaged at the site.

Great pay, full benefits (some medical plans company paid), clothing and shoe allowances as well as paid time off, paid holidays AND profit sharing!

Horch Roofing is seeking a dedicated, hardworking, organized individual with experience in the construction trades (roofing, carpentry, general contractor) to fill a working foreman position. This position is in the field & requires on-site management of crews and projects. The individual must be willing to work flexible hours, be highly organized and have excellent communication skills. A valid driver's license is a must as you will be required to operate Horch Roofing vehicles daily.

Work hard, get paid well, and grow your career with Horch Roofing!

Job Type: Full-time

Pay: \$25.00 - \$28.00 per hour

Position: **Roofer 2**

Job description

Horch Roofing in South Portland is looking to add a Roofer 2 to our team. (we call this a Mechanic in our career ladder) We are looking for someone who is flexible, understands that things may change on a jobsite, is interested in teaching new roofers how to install and repair, being safety conscious (we are OSHA compliant), and growing with us as we add to our team members and grow this new location.

Experience ripping and installing shingle roofing is required.

Experience with other residential roofing and leak repairs is preferred.

Tasks you may be asked to perform include:

- Loading and unloading materials in to trucks or trailer
- Carrying bundles of roofing materials
- Staging and dismantling of safety barricades
- Staging and ripping roofs
- Install shingles and other roofing materials as needed
- Keeping the jobsite clean and picked up
- Keeping the shop organized and tools put away

Training at our main branch in Warren will be required.

Job Type: Full-time

Pay: \$23.00 - \$24.00 per hour

Position: **Job-site Project Manager (roofing)**

Job description

Experienced roofer? Are you at a point in your career where you would rather supervise a crew on-site than be on the roof every day? Apply to be a Roofing Project Manager and oversee asphalt sub-crews to ensure proper installation and safety measures on the site without having to be on the roof all day.

Great pay, full benefits (some medical plans company paid), clothing and shoe allowances as well as paid time off, paid holidays AND profit sharing!
